

An International Technical Symposium

In association with SENSE-VIT

23rd February 2018- 25th February 2018

PAPER PRESENTATION COMPETITION

DESCRIPTION

The Paper Presentation Event at Synergy'18 aims to provide the best platform to showcase your research ideas in front of an esteemed panel of judges. If you have carried out research works in the electronics & computer-science fields, we would be more than happy to hear your ideas out! Prepare a presentation and unleash the speaker in you to grab exciting prizes! If your idea gets selected, it will be published in the International Journal for Research in Applied Science and Engineering Technology (IJRASET).

This year we are accepting CSE/IT/ECE/EEE/EIE related abstracts.

Participants are requested to mail their abstracts to
synergypapers18@gmail.com

Abstracts sent by e-mail must have the subject of the e-mail as: [PP]
[Branch][College]

The last date for sending your abstract is 10th of January, 2018.

You will be informed about the selection of your abstract through an e-mail.

The Paper Presentation Competition will be conducted on 23rd and 24th of February, 2018 in VIT University, Vellore.

Any other important detail regarding the venue or the timings of the competition will be conveyed through e-mails.

IMPACT FACTOR-6.887 and ISRA impact factor 3.166

CERTIFICATION

CERTIFICATES of participation will be provided to the all the participants from IJRASET

So come and be a part of this amazing phenomenon to showcase your talent.

Procedure:

- Students have to present their abstract a few weeks prior to the final presentation.
- The selected abstracts will be presented before the judges in the final presentation.
- We will shortlist papers which will be published in IJRASET

The participants also have a chance to win prizes worth Rs. 9,000 (including all categories).

- A common registration fee of Rs. 500 per participant(max of 3) has to be paid.

Recommendation

It is strongly recommended to come up with an original piece of work. We are open to innovative ideas and a vision for discovery.

Kits

A paper presentation kit will be provided to all the participants.

About IJRASET

International Journal for Research in Applied Science and Engineering Technology (IJRASET) is a reputable venue for publishing novel ideas, state-of-the-art research results and fundamental advances on all subjects relevant to Applied Science and Engineering Technology. It has a Thomson Reuters indexing and an astounding scientific journal impact factor of 6.887 and an ISRA journal impact factor of 3.166.

The goal of this journal is to provide an international platform for engineers and academicians all over the world to promote, share, and discuss various new issues and development in the field of computer science and Engineering.

This journal aims to encourage deeper understanding and greater effectiveness in the theory analysis and engineering application relevant to computer science and Engineering field.

REGISTRATION FEE

500 / participant (Max team of 3)
